The Nintendo World Championships happened over the weekend, but did we even remember to check it out? We talk about the past and future of the NWC and if it's something Nintendo should keep doing in the future. We also welcome back to the show our young friend Julian (now 10 years old!) who gives us his very honest and blunt take on gaming.

Also in the News:

* Street Fighter V to get an "Arcade Edition" release

* Pokemon Ultra Sun and Ultra Moon

* PS4 Firmware 5.00 released

* New Trademark on the Gameboy-- gameboy classic in 2018?

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!

LIVE on the VOG Network, Sunday nights at 6 Pacific, 9 Eastern www.vognetwork.com
