Pokemon Go fever seems to be sweeping the nation and now even more countries around the world! Well, when the servers seem to be able to handle it anyway. Viral Videos, Mental Wellness Stories, we've heard many more ways that this game is having an effect on culture this week. In our opening segment we talk a bit about the similarites between the culture of Pokemon Go, and what we once saw in arcades that helped start this show. Jamie is in studio fresh from a local IGDA game jam event too where she helped judge, and she gives us a rundown on some of the indie games created!
