Big news for MMO fans hit this weekend with the reveal of more details for Final Fantasy XIV: Endwalker. While the details of the game sound great for fans of the game, it was one special announcement made at the end of the Fan Festival that really shocked the community and has us thinking about the special bond from gaming communities that goes far beyond this one title. Also you know we have some big Mass Effect fans as hosts on the show? What are their impressions of the latest Mass Effect game? Some things may surprise you... All this and much more on another week of the longest running video game podcast, Orange Lounge Radio!

Also in the news:

* PS5 Shortages to Continue into 2022

* Target Stores New Policy on Pokemon Cards

* Dragon Quest 35th Anniversary

* Next Gen Playstation VR Info

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
