

Rob Roberts and DarkSakura are back from TwitchCon in Las Vegas! We take some time at the top of the show to talk about our experiences, and reflect on the news that it has already be confirmed TwitchCon 2024 won't come back to Las Vegas. What do we hope to see at future TwitchCons? We discuss all this and more, including some expected tangent trains on horror just in time for Halloween this week! Discussion on all this and much more in video games round out another episode of the longest running video game podcast, Orange Lounge Radio!

Also in the News:

- * Xbox Management Changes

- * PS5 Disc Drive for Slim Requires Internet
