Due to legal reasons I can't make this song available for download.

Since I'm sure someone will ask me what my favorite 5-key beatmania song is, I thought I'd take this opportunity to answer that with this week's 'I love that song!' selection, a remix of the Metal Gear Solid theme specially redone for beatmania: BEST HITS on PSX. It certainly captures the feel of playing as Solid Snake as he sneaks into Shadow Moses in an attempt to stop the latest incarnation of the infamous Metal Gear walking death tank!

Interesting bit of trivia this song did make an appearance in beatmania when it debuted on the PS2, and even featured an all-new exclusive video!
