For those of you that tuned in this past Sunday, you got to hear the highly anticipated 2nd edition of my series, Orange Lounge Radio: BEST HITS! This time the theme for this edition is all about music, whether it be the origins of Holic as the official cagematch theme music, the 'Reverse' cagematch where one song was actually banned from our station, or perhaps the most epic part of this special, the two 'Karaoke Revolution' incidents on OLR.

But now you too can have this trip down OLR memory lane all to yourself! hit up www.win-rar.com to extract these files to get the MP3:

(Note that due to the copyrighted music I can't really podcast this, the links below are the ONLY way to get it!)
