Wow has it really been ten years? Seems like only yesterday I pulled up to the Folsom Game Room and their 3rd MIX Korean machine to try my hand at Perfect Attack! There were a few epic freestyles too, hit the jump to see some of those:

Forgive the quality of these, we didn't have HD video capture equipment back in 2001!

TranPowah - Face

Mr. Wendell - Sung Suk

Dux - Let Them Move (seriously!)

Sorry there weren't that many videos, I was lucky enough to locate these!! Tomorrow I got one more Korean song to close out the week, so come back tomorrow for that!
