For those who tuned in live to last night's OLR, Cagematch was tabled in favor of the ever-popular classic segment, *Ask Orange Lounge*. And one of the questions that came up was 'ways to revive the forums?' and some ideas were tossed around, so I decided to run with some of these ideas, hopefully in the future I can come up with more:

Question of the Week: Ok for this first one I'm kinda stealing from last night's 'Ask Orange Lounge' The last question of the night was a throwback to our old DDR days:

So you're forced to play only three DDR songs for all eternity, what three would you go with?

I started a thread for this [here](#) , and provided my answers!

The other thread I've started this week was a 'Retrospective' thread for this week's Classic Game, Super Mario World (SNES)! Have any memories of playing this 16-bit classic? Share them [here](#) !!

Hopefully in the coming weeks I can come up with more topics like these, so watch for them... and GO POST! BONGO DEMANDS IT! (*Probably dating myself with that reference, but go do it!!*)
