Have you completed the first gate yet? If not you'd better [get to work](#) ! As for the rest of you, hit the jump for your next challenge!

>PLAY

The video opens with a field out in the middle of nowhere, empty save for a small white house. DarkTetsuya in his blue jeans and Pac-Man tshhirt, is standing next to the mailbox in front of the white house.

So, finished WarGames (or Galaga), did ya?" (If not click [here](#) !) He then pulls a small jade key out of his pockets. "Anyway if you haven't already guessed, the Jade Key awaits at the end of the INFOCOM text adventure classic, Zork!

So send me a screenshot of the ending screen (*or failing that, a screenshot of the 'death by grue' that made its way to nerd culture legendary status!*

) The starting bounty for this challenge is

32,000 points

, enough to give anyone a sizable lead over the competition! So tweet/email me at the usual place, hashtag #thehuntlr!

EDIT: act-deft just claimed the Jade Key, so it's down to 31,000! Anyone could still catch up though so get to it!

EDIT: OrangeRight is hot on his tail! your reward is 30,000 points now!

EDIT: TigerClaw got in a surprise entry, so the bounty drops to 29,000! ... make it 28,000! those IOI bastards are finally catching up!
