It's close and it's coming to GET YOU!

Today's track is Rislim ~Remix~ by Ric (remixed by Hisashi Nawata) from Beatmania IIDX 9th Style

Please note due to copyright issues I can not make this song available for you to download directly.

Continuing BEMANI-Month here on OLR we have another classic that sprouted a meme back in the good days. I could try to explain why playing this song during midsummer is kind of a tradition in the BEMANI community, but I'll let [this explain it](#).

As for the song itself, it's actually one of my favorites. I could play the original Rislim over and over again (and listen to the full version from iFUTURELIST too). I don't know what is exactly appealing about this song but I just love it. But then again, this song was done by no other than Akira Yamaoka, so that is a very big plus for me.

If you have suggestions or recommendations for future "I love that song" and "Video
