<u>cepwin</u>: FIFA 09..especially Ultimate Team mode, Resident Evil 5, Peggle, some Grid with neighbor and his 3 year old and finally Oblivion.

Ray Ayanami: Oh! And some Sin & Punishment. I got a new SD card so I transferred my VC and WiiWare games onto it.

Ray Ayanami: Pop'n Music 16, IIDX 16, Tetris TGM and TGM clones, Bangai-O Spirits, Star Soldier R, Gradius ReBirth. Same stuff basically.
