Skie will surely love this.

Today's track is Blaster Master Area 1 (Forest) theme

This song was requested during the last show's musical break by Skie, so I am very happy to oblige. And it's a pretty awesome song, I really can hear why he loves it a lot!

This song is for the first level of the game, it makes you feel your ready for a big journey, it motivates you to go forward and achieve your goals! Go Blaster go!

If you want to post your opinion about today's track or you've got a song suggestion you would like to see featured from a game let us know in the comments and we'll see what we can do about featuring it in an up coming article!
