(I can't offer this song for download legally, sorry.)

I meant to do this song last week (to coincide with the announcement of the next game in NAMCO-Bandai's long-running *Wangan Midnight: MAXIMUM TUNE* series of arcade racing games, but it was pre-empted by Zelda's 25th birthday....

Anyway this song was a remix of a song that I believe appeared only in the original *MAXIMUM TUNE* but not in the 2nd one.

What can I really say about this song, its high-octane awesomeness composed by the one and only Yuzo Koshiro, whose pedigree includes games like Bare Knuckle II/Streets of Rage 2, ActRaiser, and he even made a brief appearance in Dance Dance Revolution, on EXTREME 2/DDR STRIKE.
