(Since I don't want Konami's lawyers coming after me I can't offer this song for download.)

I decided to kick off 3rd MIX Korean week with my favorite license, FACE by N.R.G. It's a very catchy K-Pop song that's sure to get your body moving! Also as an added bonus I have the original music video after the break!

Tune in tomorrow as I feature another great K-Pop license! Unless you're.... chicken. ;) *(It'll make sense tomorrow)*
