Finally, we get our backlog of OLR episodes cleaned up with this, Episode 307 of our podcast. On this weeks year end special, turn in for the weeks news as well as our Top 3 favorite games of 2008! What did the best game become though when put together with YOUR picks (from the live chatters)? Also, we play a little game we love called Listless to determine the top story in gaming of 2008, the results might surprise you! Tune in to the long running podcast where every gamer has a voice, Orange Lounge Radio. {enclose OLR_307_122808.mp3}
