

Orange Lounge Radio E3 2011 LIVE: Tuesday Edition

Written by skie

Tuesday, 07 June 2011 21:38 - Last Updated Tuesday, 07 June 2011 21:38

Orange Lounge Radio teams up with Bobby Blackwolf and Miklotov to bring you LIVE E3 coverage from the show floor in LA. Tonight we discuss the E3 Press Conferences from Kinect to Vita to Wii-U and everything in between. Tons of chat comments, phone calls and more make for a very opinionated and lively discussion.

Check back Wednesday for our second and final special E3 show!
