After 462 Episodes and countless LOLs, we hit our 10 Year Milestone! On this week's special episode we run down some of the news of the week including:

\* 3DS XL

\* Mass Effect 3 Extended Cut Dated

\* Tetris "Copycat Lawsuit"

However we dedicate the majority of our show to hearing from all of YOU, the listeners, on what has made this community such an incredible place over the past 10 years. Jayveemon, Misty & DarkTetsuya join us in studio, and MANY of you join us thru e-mails, tweets and the skypeline.

From all of us at Orange Lounge Radio, \*Thank you\* for all of your support over the past 10 years.
