

PAX East 2013 is officially over, but we take some time on tonight's episode to talk about the big show. From news on the DuckTales re-imagining to the new Blizzard card game, we talk about the big news. Many of our callers tonight were at the convention, and recap some of the highlights of the show. The news doesn't stop there though, as we talk about some big changes at EA, as well as a change to Nintendo's shop overseas.
