On this episode of OLR, we dedicate an entire show to the Xbox One announcement from earlier this week. Rob & Loki sit down to talk about the facts, and the rumors that started flying on the internet soon afterwards. Where do we stand? Is it too early to take a stand? All is discussed on this special Thursday edition of the show.

We also get some listener phone calls with reaction to the Xbox One announcement, and we quickly review the news of the week.

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!

LIVE on the VOG Network, Sunday nights at 6 Pacific, 9 Eastern www.vognetwork.com
