

Our hosts address the big announcement from Microsoft last week about their stance on DRM with Xbox One. There are certainly some passionate opinions-- but not just from the hosts. We look ahead to some of the early news and rumors coming out of the E3 conference in Los Angeles. What games are we looking forward to? And what dream games are on our agenda? Tune in to find out...

Also in the news:

- * Square-Enix E3 offerings

- * Wii-U Basic being discontinued?

- * Tekken Revolution

- * No More Retro Games in Animal Crossing
