

Could Atlus be in trouble? We sure hope a lot of people are overreacting to some of the news out there this week, but let the fan wank on mergers begin! Our pal First Mate Slagkick from gamebuoy.org joins us to talk about the week in gaming news, which also includes a controversial story on a teenager who is facing prison time over something said in a video game.

Also in the news:

- * Saints Row 4 not classified in Australia

- * Microsoft reportedly drops XBLA Patch fees

- * XBOX One Memory

- * Nintendo Let's Play videos followup

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
