

Gamescom brought us plenty more news from Microsoft and Sony including more details about the launch of the Playstation 4. Our hosts tackle the various points brought up about the Playstation 4, then ask our audience if they have made up their mind in the Foogole question of the week. Microsoft plans to bundle a BIG game in with the Xbox One, could this impact the console wars of 2013 in a big way?

Also in the News:

\* League of Legends Hack

\* Minecraft to Playstation

\* Fable Legends

\* Wii U Bundle to include Windwaker HD?
