

E3 2014 is over, and tonight we recap and reflect on the announcements from many different places, from the major game makers and developers to the indie teams as well. Is there really a point to debating the "winner" of E3? We discuss the game behind the games on the show.

Also, DarkSakura brings us a report from Atari Party, which happened this past weekend. We take a look at this event that celebrates gaming history, and reflect on some of the lessons of the past, and how they might apply to gaming's future after this event.

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!

LIVE on the VOG Network, Sunday nights at 6 Pacific, 9 Eastern [www.vognetwork.com](http://www.vognetwork.com)
