Although we try not to always be that cynical jaded gamer full of negativity, it's hard this week to not have strong feelings about the news that P.T. or Silent Hills, won't be happening after all. Shane Alenko joins the crew tonight to share some strong opinions about a company we've loved a long time who may have finally ended one too many series. There are some smiles too though, as we have more information on the Assassin's Creed movie, starring an actor that DarkSakura (and others) seems to fancy!

Also in the news:

- * WiiU Splatoon Bundle at Best Buy

- * Squeenix Press Conference

- * Telltale & Marvel Partnership

- * Final Fantasy IV: The After Years

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
