E3 happened this week, and we recap the highlights of the show in studio with our listeners. We talk about our single greatest moments from the show, then also talk about some of the things we think might have been done a little better. One of our favorite game makers calls into the show, and gets some unexpected advice from the hosts, and we recap a little bit of news that DIDN'T happen at E3 this week.

E3 News includes news from:

* Microsoft

* Sony

* Nintendo

* EA, Ubisoft, SquareEnix and MORE

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!

LIVE on the VOG Network, Sunday nights at 6 Pacific, 9 Eastern www.vognetwork.com
