Just an hour before going live this week, the gaming industry was shaken with the news of the passing of one of the legends of the industry, Satoru Iwata. Our hosts take a minute to reflect on his career, and some of the many memories of our childhood brought to us by one of the Nintendo greats. We move on to tackle the news of the week in gaming, including several updates brought to us by Comic-Con!

Also in the news:

- * Dragon Quest Builders
- * Heroes Reborn for Consoles, PC, Smartphones
- * Hitman to release digitally before disc
- * Ubisoft on XBOX One backwards compatibility

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
