---

It's been a bumpy launch for the Street Fighter V Beta, but are these things to be expected with a beta? Or does Capcom owe the players who paid money to pre-order the game more than that? Our hosts debate this issue that's been hotly discussed in the gaming community this week, after an opening discussing not just our gaming weeks but Rob's trip to the Reno Game Expo, and a flashback to 2005 in support of our pal Bobby Blackwolf.

Also in the news:

- \* Rise of the Tomb Raider PC/PS4 confirmed
- \* Guillermo Del Toro and Kojima to work together after all?
- \* Interesting Nintendo "sleep" patent
- \* Universal Video Game Park rumors

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!

LIVE on the VOG Network, Sunday nights at 6 Pacific, 9 Eastern [www.vognetwork.com](http://www.vognetwork.com)
