Rob is back from TwitchCon and has some opinions based on being a much more casual video streamer and long-time podcaster. Of course there were a few games there too, and we talk about those games. TwitchCon wasn't the only expo this weekend as EGX happened as well, where some interesting comments were made about the Playstation Vita. All our hosts are finally re-united plus a bonus Dan on this latest live episode of OLR!

Also in the news:

* TBS to air ESports in 2016

* Voice Actors to strike?

* Black Ops 3 Campaign missing on 360/PS3

* Do kids prefer Mobile devices instead of consoles?

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!

LIVE on the VOG Network, Sunday nights at 6 Pacific, 9 Eastern www.vognetwork.com
