Our frequent guest in studio Shane is back with us tonight fresh from the Playstation Experience. He tells us about his experiences at the show, including his time with REZ Infinite on Playstation VR, and if the experience has sold him on the headset or not. Our hosts have plenty of other news for the week to dig into including The Game Awards, and one notable no show, in a moment of transparency that had everyone talking.

Also in the news:

- * Shadow Complex Remastered

- * Steam Releases Leaked?

- * EA exploring Virtual Reality

- * Onimusha to return?

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
