It's time for the very last episode of Orange Lounge Radio... for 2015! In great tradition, we start off the show by discussing our three most favorite games of the year. Flaco Jones and Shane Alenko sub in for an absent Loki on this holiday edition of Orange Lounge Radio, which includes a recap of the weeks news, including some strong feelings on the recent exposure of private information on Steam during the Christmas holiday.

Also in the News:

- * Amplitude out for some backers / FreQuency mode

- * "My Nintendo" updates

- * Tekken X Street Fighter still happening

- * Uncharted 4 delayed - again

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!

LIVE on the VOG Network, Sunday nights at 6 Pacific, 9 Eastern www.vognetwork.com
