

Another Nintendo Direct happened this week, and for RPG fans there was sure a lot to like, but for older 3DS owners there was something not to like as much. However, are we hating on this virtual console update just to hate on it, or is there really a deeper reason for our feelings? We get into the issue with our live chatters. Also, in a follow up to last week, the listeners have a LOT to say on Street Fighter V in this weeks mailbag.

Also in the news:

\* No Man's Sky Launch

\* Rock Band 4 PC

\* Steam Reviews bought

\* Beyond Good & Evil 2 rumor
