Another retro classic from our childhoods is becoming a ticket redemption game. We've already eulogized the arcades we remember in the past previously, but with arcades seemingly making a comeback, have ticket redemption games influenced the "standard" arcade games we remember playing in the past as well?

We also welcome chiptune artist Aethernaut to the show tonight, who will be performing at GaymerX4 this weekend in the Bay Area, and has a new collaborative EP out entitled Sugarnaut Chundercrip!

Also in the News:

- * Blizzard to phase out Battle.Net
- * Super Mario Bros 3 on Steam (the cartoon that is)
- * WiiU to phase out in October?
- * Oh boy, more NX Rumors!

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!

LIVE on the VOG Network, Sunday nights at 6 Pacific, 9 Eastern www.vognetwork.com
