One controversial review had social media buzzing this week, but are video game reviews really that important in our purchasing decisions? We discuss the opinions that matter-- and don't matter to us in our game buying decisions with our live listeners. We also get into the news for the week, which includes an increased production of Nintendo Switch consoles, as early sales numbers appear to have been positive.

Also in the news:

- \* Switch Wi-Fi glitch related to framerate drops?

- \* Sonic Forces

- \* Injustice 2 in game currency

- \* Wii emulator now emulates the Wii Shop

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!

LIVE on the VOG Network, Sunday nights at 6 Pacific, 9 Eastern [www.vognetwork.com](http://www.vognetwork.com)
