Digital Distribution may be the way the industry is headed, at least according to recent earnings reports from some major companies. How do we feel about digital games versus physical games? Although we've had this topic before, we visit it again to see if feelings have changed, and if we agree with what these companies are saying, or not. We get into some comments on this topic from not just our live chatters, but our VOGNetwork Discord server as well.

Also in the news:

- * Sony Paris Week

- * Blizzcon

- * Animal Crossing Pocket Camp

- * Just Dance Live

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
