Nintendo gave some interesting information in a policy briefing that was conducted earlier in the week, including news about 3DS sales slowing down, and promises to make the Switch Online better. What do we think Switch Online needs to be better? We discuss along with our live listeners, then get into what we have been playing this week, and other news for the week including Apex Legends and how it has really taken the industry by storm. Is this game going to be a huge success for EA, or is it setting up a potential future failure? All this and MORE on another episode of the show where every gamer has a voice, Orange Lounge Radio!

Also in the news:

* Potential Layoffs at one big gaming company to come?

* Fortnite Voice Chat on Switch opened up to developers

* Xbox Game Studios

* Ni No Kuni to become a movie

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
