Recent statements by Nintendo have us thinking about the future of what controllers might look like, as well as the past. What are some of our favorite designs of the past and things we are looking forward to in the future? We discuss some of our thoughts. As we get into the news, we talk about a new policy from epic games store regarding refunds on crowd sourced games. Will this scale back the protests on the recent Shenmue III issues? We discuss all this and more!
