The Switch Lite was suddenly announced this week, although rumors had been coming for a long time about this redesign of the Nintendo Switch. Do any of our hosts hope to pick one up? What will make it a more sutible console for some as opposed to a regular Switch? We discuss with our LIVE listeners, as well as talk about our gaming weeks and other big game headlines for the week.

Also in the news:

* Switch NES Games and Rewind Feature

* Minecraft Earth Beta

* Overwatch cheat detection to instantly shut down matches

* TurboGrafx-16 Mini

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
