E3 2020 has been canceled, but early reports are coming in on what might replace it for this year in a virtual setting. The dates for the next E3 are set as well, along with the branding of a "re-imagined" show. What could this mean for one of the biggest shows in gaming? We discuss what the state of the world might do to announcements this year, then get in to some of the big headlines of the week, and well a couple rumors too, especially one where Mario is concerned.

Also in the news:

* The Last of Us 2 Delayed Again

* Pokemon Go Couch Raids

* Amazon & Twitch Gaming Updates

* COVID-19 Humble Bundle

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!

LIVE on the VOG Network, Sunday nights at 6 Pacific, 9 Eastern www.vognetwork.com
