A big concert happened in Fortnite, showing that video games are a big way people are coping with the current state of the world. We discuss some other ways that video games as an artform have helped people during this time, and explore other ways that we could foresee gaming helping people in the long term. We also discuss our gaming weeks, and get into the news of the week which includes a brand new "World" mode for Super Mario Maker 2!

Also in the News:

- * Animal Crossing Data Mines & New Update
- * Nintendo Two Factor Authentication Encouraged
- * FF7 Remake Sales
- * NVIDIA's Streaming Service loses more games

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
