We had our first big preview of the next generation of gaming this week with the Xbox Series X third party preview, but did it get us enthused about the next generation? What were the good things and the things that could have gone better? We discuss this news of generations future as well as generations past, with news about various older Nintendo system hardware documents such as the Wii leaking to the internet. Discussion on this news, our gaming weeks, and much more!

Also in the news:

* 2020 Tokyo Game Show Cancelled

* Mortal Kombat 11 Expansion

* Some IPs traded between companies

* Nintendo's release calendar

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
