There is a growing problem with "hate raids" on Twitch, to which Twitch has responded they are working on it yet the hate raids continue. This has led members of the community to declare September 1st a day off of twitch. We talk about this unfortunate recent trend, and some of our ideas on things Twitch should and could be doing. As well as tackling this important topic regarding gaming culture, there is plenty of gaming news for us to get into this week as well!
