Nintendo quietly dropped a new 1-2 Switch sequel title onto the eshop this week, but why would they do this with lack of fanfare? Is this a sign of the quality of the game, or a different strategy? With a week of big announcements ahead between Summer Game Fest and the Microsoft Event this weekend, we try to read the tea leaves on the announcements that might be in store. Discussion on this, our gaming weeks, and much more round out another week of the longest running video game podcast, Orange Lounge Radio!

Also in the News:

- * Meta Quest 3 Announced
- * Diablo 4 Launch & Playstation Login Errors
- * Silent Hill: Ascension updates
- * CDPR Buyout Rumors

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
