XBLA Visual Browser, Disney buys Tapulous, RealID rants, 3DS & PSP Cell Phones, Roger Ebert Rants, Burger King presents Kinectimals, Rock Band 3 pitch correction and MORE this week on the show where EVERY gamer has a voice - Orange Lounge Radio This week our hosts go thru the news with special guest Drownami. What went on for the fourth of July? Why is Ottumwa, IA so great anyway? Who is now the official video game podcast of the entire galaxy? Our LIVE callers call in to discuss Sony Customer Service woes and the latest on Infinity Ward vs. Activision. Twitter Topics include a possible Zynga and Google relationship, and Robs previous rant on RealID, along with the "wait no just kidding" developments of the week inspires an e-mail. Episode 373 of Orange Lounge Radio - Taped LIVE on July 11th, 2010 at [www.allgames.com](http://www.allgames.com) -
