Part 1 of the Marathon Episode of Orange Lounge Radio taped September 5th, 2010.

Here it is everyone, the first part of the "Marathon" 10 1/2 hour episode of Orange Lounge Radio

In this first segment, we do our more traditional show with all three hosts, which includes stories on Duke Nuke'em Forever, a new XBOX 360 Controller, Digital Comics on the PS3, the new Mortal Kombat game and SO much more on the show where EVERY gamer has a voice.

Twitter topics are discussed, e-mails are read, and phone calls are taken. Things seem like they begin to fall apart towards the end of Part 1 when the hosts get banned from their own chatroom!! Do our hosts find their way out of this predicament? Stay tuned for Part 2, hitting the feed later this week at www.orangeloungeradio.com!
