

Tonight we welcome Bobby King from FarSight Studios to talk about their efforts to bring The Addams Family table to The Pinball Arcade [via Kickstarter](#) . If our question of the week to our listeners is any indication, there's a lot of love for this table out there!

Smash Bros. for 3DS is on a lot of people's minds this week, and Jonas and Diego from TBAGR are back this week to share their thoughts on the game, and the tournaments *already* happening for the game. In the news, we talk about the upcoming Bayonetta 2, and why it really really won't be coming to Xbox or Playstation so stop asking.

Also in the News:

- * New Star Wars Arcade Game, while some iOS Star Wars games disappear

- * Westone (Wonder Boy) filing for bankruptcy

- * Captain Toad to be delayed?

- * 3DS / Vita Themes
