We had a brief week off last week to broadcast from the Sacramento Indie Arcade Gaming Expo. We briefly reflect on the event this week and some of the things we saw and heard. The whole crew is back this week, and we get into the announcement of a new Guitar Hero game! We've been music game fans for a long time, what do we think of this news? And what do our listeners think of the news?

Also in the news:

- \* Mortal Kombat X Dlc & PC "hacking"

- \* Steam Accounts Limited below \$5 spent

- \* Unity support for 3DS

- \* Star Wars: Battlefront

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!

LIVE on the VOG Network, Sunday nights at 6 Pacific, 9 Eastern [www.vognetwork.com](http://www.vognetwork.com)
