

The D23 expo was this weekend, and although the Disney nerds in us want to talk about that Tron ride in China (and we do), we REALLY have to talk about that Kingdom Hearts 3 announcement that Big Hero 6 will be represented in the game. In our Foogle question of the week, we check in and see what movies our listeners would love to see represented. Cosplay? Maple Bacon chips? DarkSakura motivational posters? Yeah, this weeks OLR has all your favorite bits of randomness as well!

Also in the news:

- * Playstation Experience confirmed for 2015

- * Final Fantasy XV worldwide release

- * Super Mario Maker updates

- * Phantasy Star Online 2 for PS4... in Japan

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
