There are a lot of anniversaries to celebrate this week in gaming, as we have not just the 25th anniversary of the Super Famicom, but the 10th anniversary of the Xbox 360, a system we remember discussing the launch of years ago! Sony sure isn't left out of the discussion however, as we talk about the confirmation that Playstation 2 gameplay is being developed for the Playstation 4.

Also in the News:

- * Button Remapping on the Xbox One

- * YouTube Fair Use Updates

- * What does your username say about your personality?

- * Mass Effect Andromeda Rumors

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
