This week we kick off with a discussion on the most influential game system in our lives, as inspired by a listener e-mail. Then we get into our gaming weeks and the week in gaming news, which includes a case in gaming that's headed all the way to the supreme court. Will this issue that began with the Xbox 360 as early as 2007 be coming to an end anytime soon? Knowing our legal system... probably not!

Also in the news:

- * Omikron Free in remembrance of David Bowie

- * Desert Bus remake

- * Twilight Princess HD/Amiibo

- * 20 year Pokemon Celebration

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
