There seems to be a game that has everyone's attention on television while this week's episode was broadcasting. This leads to a topic to kick off our show on things meant to grab your attention-- commercials! What were some of the greatest video game commercials of the past? The gang looks back. We also get into the news for the week which includes details on Nintendo's new reward program, My Nintendo-- but could they be secretly preparing a virtual console release of a game fans have been asking about for YEARS?

Also in the news:

* Bethesda confirmed for Sunday Night E3 Event

* Update on Fine Bros / React Trademark

* Early Xbox One Backwards Compatibility Leaks

* Ant Simulator Drama

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
